Ebook Details:

Review: This book is amazing, about halfway through I couldn't put it down, I even took a bath instead of a shower so I could read it in the bath. I'm tortured it left on such a cliffhanger, I'm dying. Some parts toward the beginning were a bit slow but then it goes fast and you don't want it to end. You feel the fear, you feel like you're running for YOUR...

Description: Freedom comes at a cost...Ella was genetically engineered to be the perfect pet-graceful, demure...and kept. In a daring move, she escaped her captivity and took refuge in Canada. But while she can think and act as she pleases, the life of a liberated pet is just as confining as the Congressmans gilded cage. Her escape triggered a backlash, and now...
